

Newport Accessibility Advisory Committee

January 14, 2013

2:30 PM

Police Assembly Room

AGENDA

Old Business:

1. Accessible parking issues.
2. Update on Washington Square Parking and crosswalks.
3. Follow up on restaurants and other public buildings that once were accessible but become not so with new owners. While building official is doing his part to enforce on the city's end, we still need a plan to manage this. Where are we in policy discussions?
4. How can this committee assist city in meeting its compliance obligations? Update on where we are in plan. City manager was to discuss with Department of Justice. Committee needs to make decision about actions for committee.
5. City of Newport website access.
6. Access to public meetings. Remote access is not effective.
7. Need for workshop with City Council. Has there been a response to the request? When is it scheduled?
8. Reviving the idea of a survey of visitors to Newport.
9. Intersection of Memorial Blvd. and Bellevue Ave progress?

New Business:

1. Getting more persons with disabilities involved.
2. Next meeting February 11, 2013 at 2:30 PM.
